4th Nordic ENVRI workshop on data and access management

at NILU- Norwegian Institute for Air Research on 3-4 February 2016

Core topic of the meeting: Research infrastructures and data policies, data and physical access management and monitoring of use.

Venue: Auditorium at NILU head office, Instituttveien 18, 2007 Kjeller, Norway.

Registration: Online https://www.webropolsurveys.com/S/778157661AF0AF74.par

Map / Travel Instructions: NILU is located ca. 20 minutes with taxi from Oslo Airport Gardermoen, or you can take the train to Lillestrøm and bus from Lillestrøm station to NILU (totally ca 40 minutes). Read more here: http://www.nilu.no/OmNILU/Kontakt/Hovedkontor/tabid/81/language/en-GB/Default.aspx. For detailed information on public transport, please refer to: https://ruter.no/en/. The name of the bus stop close to NILU is Forskningsparken (Skedsmo). (Not "Forskningsparken (Oslo)"). Note also that there are three airports located in Oslo and its surroundings. Make sure to book your flight to Oslo-Gardermoen (OSL).

Dinner: Cafe Skansen (http://www.cafeskansen.no/) which is located in Oslo city centre (Rådhusgata 32), not far from the main train station.

Accommodation: Please book your hotel individually. If you want to stay in Oslo (close to the dinner restaurant), a bus transfer from Oslo Central station to NILU will be set up Thursday morning to make your travel to NILU more convenient. Please indicate your interest in the bus transfer in the online registration form! A few suggested hotels in Oslo known not to be very expensive are:

- Scandic Byporten: http://www.scandichotels.com/Hotels/Norway/Oslo/Scandic-Byporten
- Scandic Vulkan: http://www.scandichotels.com/Hotels/Norway/Oslo/Vulkan/
- Anker Hotel: http://www.anker-hotel.no

In Lillestrøm:

We recommend Hotel Fagerborg (www.fagerborghotel.no). NILU has special prize here if you book before 20 January, using the code 17377. It is ca 30 minutes walk or 6-7 minutes with bus to NILU.

Preliminary Agenda

Wednesday 3 February

12.00 - 13.00:   Light lunch served in the meeting room at NILU upon arrival

13.00 - 13.20:   Welcome and introduction of the workshop topics. What has happened so far? (*Cathrine Lund Myhre, NILU and Sanna Sorvari, FMI*)

13.20 - 13.50: Implementation of research infrastructures in ESFRI Roadmap *(Odd Ivar Eriksen, Chair of ESFRI Implementation Group)*
20 minutes + 10 minutes discussion.

Session I – Data Policies, Attribution, and Property Rights
Chair: Sanna Sorvari

13.50 - 14.20: European Commission perspectives on data policy, attribution, and property rights (*Anna Maria Johansson, Research Programme Officer, European Commission*)
20 minutes + 10 minutes discussion.

14.20 - 14.50: Intellectual property rights and development of data polices for RI: the legal side *(Pirjo Kontkanen, legal advisor at University of Helsinki)*
20 minutes + 10 minutes discussion.

14.50 - 16.40: *One presentation per RI covering data ownership, data policies and licences used by RIs. All presentations are 15 minutes + 5 minutes discussion. Coffee and refreshments ca 15.00 - 15.20*

- ICOS perspective (*Eija Juurola, ICOS ERIC*)
- ACTRIS perspective (*Markus Fiebig, NILU*)
- SIOS perspective (*Ole J Lønne, UNIS*)
- AnaEE perspective (*Daniel Rasse, Bioforsk*)
- EISCAT perspective (*Anders Tjulin, EISCAT*)

16.40 - 17.00: Summing up of session I – Similarities and differences, possibilities and collaboration (Alex Vermeulen, Lund University)

19.00 Dinner at Café Skansen (http://www.cafeskansen.no/) in Oslo city centre (Rådhusgata 32). We go together by train from NILU.

Thursday 4 February

Session II – Access Management for Data, Products, and Facilities
Chair: Cathrine Lund Myhre

09.00 - 09.10: Welcome to day 2, and introduction of the day

09.10 - **09.50:** www.yr.no *:* Dissemination of weather and climate information to various users:
Experiences and strategy for data access, commercial use, attribution, property rights, etc.
(*Jørn Kristiansen, Met.no*)
30 minutes + 10 minutes discussion.

09.50 - 10.10: Guidelines for access management for Research Infrastructures: ENVRIplus access
guidelines (Anders Tjulin, EISCAT)
15 minutes + 5 minutes discussion.

10.10 - 10.40: Access to data from various sources; A model user's perspective (*Michael Schulz, Met.no*)
20 minutes + 10 minutes discussion

10.40 - 11.00: Coffee break

11.00 - 12.15: Presentations on – Access Management for Data, Products, and Facilities

All presentations are 20 minutes + 5 minutes discussion
One presentation per RI on access to research facilities, data access management, monitoring of access,
data use tracking. Relevant topics to discuss: What are Key performing indicators? What is useful? What
is possible? What about user tracking and access restrictions, and commercial use of data and products?

- ICOS perspective (*Alex Vermeulen, Lund University*)
- ACTRIS perspective (*Cathrine Lund Myhre, NILU*)
- SIOS perspective (*Ole J Lønne, UNIS)*

12.15 - 13.00: Lunch served in the NILU cantina

13.00 - 13.30: Presentations on – Access Management for Data, Products, and Facilities (continue)
- AnaEE perspective (*Jaana Bäck, University of Helsinki*)
- EISCAT perspective (*Anders Tjulin, EISCAT*)

13.30 - 13.50: NorDataNet = *Norwegian Scientific Data Network* (*Bard Saadatnejad, Met.no*)
15 minutes + 5 minutes discussion

13.50 - 14.00: Summing up of session II – Similarities and differences (*Sanna Sorvari, FMI*)

Session III – Collaboration between Nordic RIs and Nordic e-Infrastructures: Use Cases and Demonstrators
Chair: Markus Fiebig

This session is to inspire new collaborations between RIs and e-infrastructures by reporting about existing examples of such collaborations, use cases, e-learning, etc.

14.00 - 14.10: EUDAT Call for Data Pilots *(Ulpu Leijala, FMI)*

14.10 - 14.40: Technologies behind EUDAT services (*Ari Lukkarinen, CSC*)
20 minutes + 10 minutes discussion.

14.40 - 15.00: Discussion on Nordic ENVRI – e-infrastructure collaboration

15.00 - 15.30: Summing up session III: Summing up the session and WS and preparation of next meeting (*Sanna Sorvari, FMI*)
